STRATEGIC QHSSE & OPERATIONAL EXCELLENCE EXECUTIVE

AI-Driven Risk & Performance Systems | Board-Level Advisor

*Proven leader with 22+ years of success driving people and process transformation across global and Gulf-based organizations. Recognized expert in **QHSSE, Lean Management (TPS), and Culture Transformation**. Currently architecting **AI-driven strategic systems** that merge behavioral science with automated leadership frameworks to deliver proactive **Hazard Identification and Risk Assessment (HIRA)**, visible safety leadership, and robust **Contractor Safety Management Programs (CSMP)** strictly aligned with **Aramco General Instructions (GIs)**.*

KEY ACHIEVEMENTS

- **Regional Leadership:** Directed QHSSE across the UAE, KSA, and GCC, overseeing an \$800M+ EBITDA asset portfolio. Drove proactive **Safety Management Systems (SMS)**, achieving zero major incidents by optimizing **Leading and Lagging KPIs** and empowering **Stop Work Authority (SWA)**.
- **Complex Integrated Projects:** Executed the overarching HSE Bridging and alignment for the **Dragon Oil (ENOC) / SLB / WellGear Integrated Service Project**, ensuring seamless SIMOPS and emergency management for Hydraulic Workover Unit (HWU) operations.
- **ADNOC Strategic Deployment:** Architected the comprehensive Project HSE Plan for the **ADNOC Snubbing Unit Deployment (RFT X)**, achieving 100% compliance with ADNOC Life-Saving Rules.
- **AI & Innovation:** Architected a first-of-its-kind Emergency Control Center integrating automated Journey Management and real-time notification systems.
- **Executive Influence:** Appointed as the global leader facilitator for culture transformation programs at Weatherford International by Heidrick & Struggles (Senn Delaney) from 2018 to 2020.
- **Lean Transformation:** Selected by Faisal Al Bannai, Chairman of the Board of Directors of EDGE Group, to lead an intensive program on the Toyota Production System (TPS) and serve as a **Lean/Kaizen facilitator**.
- **Culture Transformation:** Delivered 1,700+ Birkman coaching interventions for the **Saudi 2030 Vision**, addressing Top-tier Royal Commissions RCJY & Prince Nora University Women Leadership Project.

PROFESSIONAL EXPERIENCE

Principal Consultant & Founder | Beautiful Mind Lifestyle / SIGNAL AI Platform Saudi Arabia – UAE | Jan 2026 – Present

- **AI Strategy:** Architecting the **SIGNAL AI Coaching Platform**, merging behavioral science with automated leadership frameworks.
- **Strategic QHSE Advisory:** Providing high-level governance, contractor compliance, and regulatory alignment for energy-sector operations.
- **Systems Innovation:** Designing AI-enabled QHSE and training solutions — including Synthesia avatar-based induction and digital coaching modules — to modernize traditional safety and quality management.

Regional QHSE Manager | WellGear Middle East (ARAMCO / ADNOC Projects) UAE – KSA – Turkmenistan | Aug 2023 – Dec 2025

- **Governance:** Architected QHSE governance for ARAMCO/ADNOC offshore projects, securing 100% compliance with Aramco CSAR / Schedule 'D' and ADNOC HSE-OS-ST16 (Risk Assessment), HSE-OS-ST18 (PTW) and OSHAD frameworks across KSA and UAE.
- **Leadership:** Held regional fleet-level accountability for offshore/onshore drilling and workover support operations.

MOHAMED ABUZAIID

Saudi Arabia – Khobar | UAE – Abu Dhabi | M: +966 50 499 5475 | +971 50 654 85 78
Email: gessoo@gmail.com | LinkedIn: [linkedin.com/in/MohamedAbuzaid](https://www.linkedin.com/in/MohamedAbuzaid)

- **Compliance:** Led contractor QHSE governance, executing rigorous **Permit to Work (PTW)** audits, **Job Safety Analysis (JSA)** verifications, and managing **Short Service Employee (SSE)** programs.

GEOZONE QHSE & Training Manager | Weatherford (Aramco / Tatweer) KSA – Bahrain | Jul 2013 – Aug 2023

- **Risk Mitigation:** Pioneered data-driven **Hazard Identification (HAZID)** trend analysis over 10+ years, significantly reducing incident rates and ensuring strict adherence to **Aramco GIs** for Incident Reporting and Root Cause Analysis.
- **Culture Change:** Delivered global culture transformation training and reinforced critical risk management tools including **Aramco-standard MOC, TRA**, and continuous **Behavioral-Based Safety (BBS)** observations.
- **Crisis Management:** Developed comprehensive **Emergency Response Plans (ERP)**, including drills and evacuation programs across remote assets.

Operational Excellence / TPS Facilitator | Axiom Telecom (KSA – UAE) | 2009 – 2013

- **Lean Transformation:** Nominated directly by the CEO to lead enterprise-wide **Toyota Production System (TPS)** programs.
- **KPI Optimization:** Built performance dashboards and KPI tracking to monitor adoption and quantify efficiency gains.

IT Developer | NCCI (KSA) | 2004 – 2008

- Delivered full-stack automation and enterprise applications for the Kingdom-wide insurance portal using Oracle, Java, and C++.

CORE COMPETENCIES

- **Strategic Management:** ISO 9001, 14001, 45001 | API Q1/Q2 | Aramco & ADNOC GI | Incident RCA (TapRoot).
- **Digital & AI Strategy:** AI System Architecture | Digital Fluency | Data Analysis | Journey Management Automation.
- **Leadership:** Lean / TPS / Kaizen | Birkman® Coaching | Culture Change (Senn Delaney) | High-Performance Teams.

EDUCATION & CERTIFICATIONS

- **Bachelor of Science in Computer Engineering** | Arab Academy for Science & Technology, Egypt.
- **QHSE:** NEBOSH IGC | Lead Auditor – ISO 9001, 14001, OHSAS 18001 | TapRoot Advanced Investigation.
- **Leadership:** Birkman® Certified Professional | TRE® Resilience Provider | TPS Facilitator | Senn Delaney® Culture Facilitator.
- **Digital:** Oracle Certified Professional (OCP) | Microsoft Certified Application Developer (MCAD).
